Custom handmade fillet brazed and lugged steel frame pricing is as follows.

Track frames start at	\$1950
Road frames start at	\$2050
Cyclocross, Touring/Rando, and 29er frames start at.....	\$2150

Tubing choices are made on an individual basis for each customer to ensure the perfect ride. Premium tubing upgrades start at \$100.

Bi-laminate, lug carving, and other detail work starts at \$100.

All frames come with a single color paint job of your choice. Paint upgrades start at \$150.

Custom matching steel forks start at \$300.

Various Carbon Fiber forks are available as well, please inquire for specific prices.

Custom Stems and integrated handlebars start at \$250.

Frame repair starting at \$60 per hour (plus materials).
 Wheel building and mechanics, including component installation \$40 per hour (plus materials).

Given the nature of ordering a custom bicycle, there are usually quite a few variables. However, I am always eager to work with you to ensure we get everything just right. There is no reason to compromise on the details of your custom frame.

Also, I work with some great parts distributors and I offer full and partial builds with the finest components at extremely competitive prices.
